

DISCOVER SÖRMLAND

with Stefanie

Experience a unique combination of NATURE, CULTURE and anecdotes from the MOVIE SET

Experiences in nature

In Sörmland's nature, we discover the remnants of the last Ice Age. My guests learn about the Baltic Sea ecosystem, and the archipelago islands.

Guided tours

in Nyköping, Trosa, Söderköping and Norrköping. Together we explore these historical towns and combine the culture and history of the region.

Movie sets

My personal experiences on the movie set offer my guests unique insights into the production of the famous German series and often make them smile.

I look forward to sharing my passion for Sörmland with my guests!
